**WIGAN ATHLETIC v. WEST BROMWICH ALBION**

"Bulldog tools have been around for as long as I can remember and in my 50 years of looking after grounds I've never found anything to beat them. They're reliable, and above all tough – they don't call them the "strongest tool on earth" for nothing and in my line of business that's what counts!"

# THANKS FROM BOB WARD

Good evening ladies and gentlemen.

It's never easy when you have to finish your football career through an injury.

It's the thing that all professionals dread.

And when it does happen — as it has to men — the one thing you need is a good club behind you.

And that's certainly been the case with Wigan Athletic.

Both chairman Freddie Pye and manager Larry Lloyd have been marvellous to me.

During my struggle to beat injury they gave me encouragement and now that I have been forced to quit a job that I loved they have been tremendous in granting this testimonial game.

I, in fact, have been fortunate to have played for good clubs throughout my short career.

West Brom, my home town club, had no hesitation in agreeing to my request to bring such a talented team to Springfield Park for my testimonial.

I'd like to thank manager Ron Wylie and the club directors for their generosity, the Latics players for turning out for me and, of course, the special guest players who have agreed to enhance the evening with their talents.

And a special mention to the Wigan Reporter Editor Cyril Edensor who, with myself, has pulled the whole evening together.

I'm indebted to everyone who has helped me make my final bow such a momentous occasions, all the players, officials and fans.

I'm sure everyone will enjoy the evening as much as I will.

# BOB WARD — A TRUE PRO.

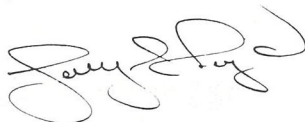

I, more than most, was really sorry to lose the services of Bob last season. His injury came at a critical time for the club and it was a great pity that he had to pack up playing due to it.

At the time we were desperate for goalkeeper cover and it was tragic that it should happen to Bob. He was a true professional with a lot of experience and could have done Wigan Athletic a lot of good. He certainly had many more years in the game in front of him at the time of his injury.

As a goalkeeper he was a player with great confidence, a joy to play in front of, and now that he is setting out on a new career in physiotherapy I'm sure that confidence that saw him through many tight situations on the football pitch will help him achieve his goal.

I would like to thank Bob for his service, not just to our club, but to football in general and wish him all the best in his new life.

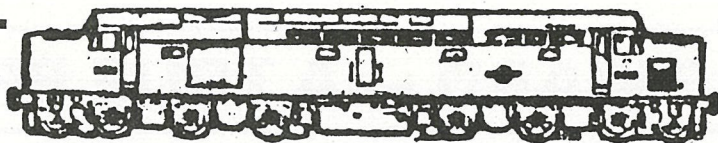

LARRY LLOYD

# BEST OF LUCK, BOB

by HAROLD ASHURST, of the Evening Post

Bob Ward was signed by former Latics boss Ian McNeill from Blackpool in 1980 and the canny Scot picked up a goalkeeper with a wealth of Football League experience behind him.

He began his career with West Bromwich Albion after a promising career as a midfielder when he was a youngster finally came to nothing.

He tried his hand in goal for one game and, as the saying goes, he has been there ever since.

He made nine appearances for West Brom before going out on loan to Northampton when he played eight football League games.

It was following his transfer to Blackpool that Bob Ward really began to get the games under his belt.

He played 41 times for the Bloomfield Road side under various managers before being transferred to Latics.

He and fellow goalkeeper John Brown then became engaged in a battle to establish themselves as Latics number one 'keeper although Brown finally came out tops with 93 appearances to Bob's 46.

Bob played in goal at the start of Latics promotion winning season last year but featured in only nine games before a back injury forced him to retire prematurely from the game.

All Latics fans will wish Bob Ward the best of luck for the future.

# WEST BROM SALUTE T

Manager Ron Wylie summed up the respect that West Bromwich have for goalkeeper Bob Ward when he commented: "To turn a top side out for Bob's testimonial is the least we could do. Bob's a West Brom lad and was a tremendous servant to the club."

Bob Ward's professional soccer career was always destined to start at the Hawthorns. From the day he first pulled on a pair of football boots he set his heart on playing for his home town club.

Yet the lad who started his days as an outfield player in the local amateur league realised his dreams in a most unexpected way — as a goalkeeper!

As Bob says: "I always wanted to play for West Brom. I thought my hopes were shattered when I suffered a knee injury.

"Then I decided to have a go in goal and within two years was signed by the then West Brom manager Don Howe after I was spotted playing in the Midland Combination."

During the whole of his career at the Hawthorns he had to be a patient understudy to John

Osborne, playing only nine Football League games.

It's that tremendous loyalty, Bob's contentment with a Central League role, that West Brom are acknowledging tonight in a game that brings them — one of the founder members of the Football League — together with Wigan Athletic, the younger member of the 92-team club.

# THE DAY BOB'S LUCK RAN OUT

by Clive Carter, Sports Editor, Wigan Reporter.

For goalkeeper Bob Ward the 24th day of October, 1981 saw his luck run out . . .

On that day, as Wigan Athletic got into the stride that took them to promotion in the Fourth Division, an injury in the game against Scunthorpe United at Springfield Park finished his football career.

Wigan won 2-1, Bob Ward lost. He struggled to recover from the fractured vertebrae in his spine, but had to take specialist advice and quit at the end of the season that brought him his

first major honour in 11 seasons in the professional game.

Twenty-nine-year-old Bob, born in West Brom, in 1953, spent six of those seasons at the Hawthorns before moving to Blackpool for a £20,000 fee.

He had two seasons at Bloomfield Road under the management of Bob Stokoe and played 41 senior games before being brought to Springfield Park by manager Ian McNeill.

At Wigan he played over 46 first team games and made more Football League appearances than he had at any of his other clubs before injury cruelly cut down a career that seemed to have settled him in at Springfield Park.

Now Bob is setting out on a new career that he hopes will still keep him in the game that he loves.

At the moment the likeable six footer is into a two year course at the Salford School of Physiotherapy and when he qualifies, wants to come back into the game as a chartered physiotherapist.

All of us, from the players at West Brom, Blackpool, Wigan, backroom boys, directors and fans who have savoured those magic moments that made Bob a larger than life 'keeper wish him all the best in his future career.

**RON M. WYLIE** — Manager. Born: Glasgow, Scotland, in August 1933. Career: Glasgow Schools football, Clydesdale Juniors, Scotland Schoolboys, Notts County (1949), Aston Villa (for £9,250 in September 1958), Birmingham City (for £15,000 in July 1965), Aston Villa (coach, 1970-74), Coventry City (coach, 1974-75, assistant manager, 1976-81), Cyprus (coach, eight months, 1981-82), Hong Kong (Bulova manager, 1982), Albion (team manager, signing a three-year contract, July 1982).

In his playing career Ron was a ball-playing inside-forward who later became a dominating wing-half. He appeared in a total of 551 Football League matches for Notts County, Villa and Blues, scoring 51 goals. Played in the 1961 and 1963 League Cup Finals for Villa, collecting a winners' tankard in the first of those against Rotherham United. He also appeared in the 1959 and 1960 FA Cup Semi-Finals with Villa and in the 1968 FA Cup Semi-Final for Blues against Albion at Villa Park.

He was with Blues in the 1967 League Cup Semi-Finals against Queens Park Rangers, but has sadly never played in a Wembley Cup Final.

Voted Midland Footballer of the Year 1965 and also received the Villa Terrace Trophy in that same season.

At Coventry he was responsible for 'finding' much young talent and as manager of the Bulova club in Hong Kong, saw that team win both the Hong Kong FA and the Vice-Roy Cup competitions.
